(Bess) Ruthie,

I can't think of anything great to say, only how I feel, and that's a hell of a lot! When I look at you, I see a river overflowing with love, and a bud blossoming with friendship. Always remember all the good and bad times we've had in the short time we've known each other. Thanks so much for all you've shown and taught me. All my love, luck, and happiness goes with you as you go out there into that big ugly world. Keep that really great personality and keep a smile on your face no matter how hard it gets. I really hope you and Allen (daddy) make a future together if the Lord's willing. As Billy says, "Remember I love you, remember I care, I'll always be with you although you may not see me there.!!! Luv & Peace

Happy is the friendship that turns to love!  
Sad is the friendship that turns to hate!

Stay  
Cool !!!

<sup>continued</sup> I cannot tell you how much I really care for you. Stay the way you are and you will really go far. I hope we have more fun in the future. Remember to give me directions in reading or I never find out where to visit you. Lots of luck in what you want. I hope your future plans work out for you.

Perhaps the greatest honor that can be bestowed upon anyone is to say, "He will be missed," once he has left us. If this is true, then surely J. Robert Gibson has earned respect far beyond that of the average person. A leader in church activities, president of the Womelsdorf Borough Council, former basketball coach, and head of the industrial arts department — these were only a few of Mr. Gibson's accomplishments. Nowhere will he be missed more than by the staff of the WEICON. As advisor for the WEICON for the greater part of his teaching career, he gave to this responsibility the same dedication he demonstrated in all his activities. For his many years of untiring and unselfish guidance and aid, the staff of the WEICON dedicates this yearbook to Mr. J. Robert Gibson.

We, the Seniors of Weiser,  
 have ended another year of  
 learning, of friendship. We  
 have been the heartbeat, the  
 pulsating nucleus of Conrad  
 Weiser High School — yester-  
 day's children, tomorrow's  
 adults. "We've only just  
 begun."

Ruthie,  
 To a pal who
